ABOUT ME

- I'm from a small town on the outskirts of Greater Manchester called Rochdale.
- I'm obsessed with the latest technology
- I have a keen interest in User Experience Design and web accessibility.
- Avid follower of Manchester United and Rochdale AFC.
- Obsessed with Videogames.

SKILLS, LANGUAGES & SOFTWARE

- Prototyping (High & Low fidelity wireframes).
- User personas.
- UX Testing (Guerilla, multivariate, AB, Eye tracking).
- UX Analysis (Heuristic Analysis, Expert review).
- Agile and Waterfall methodologies.
- HTML 5 & CSS3
- Basic knowledge of Javascript and PHP.
- Adobe Creative Cloud
- Axure RP
- InVision
- Windows & Mac OS

EDUCATION

- 2006 - 2011 ● FALINGE PARK HIGH SCHOOL
14 GCSE's - Including ICT, Art and Media Studies
- 2011 - 2013 ● ROCHDALE SIXTH FORM COLLEGE
3 A-Levels - Media, Psychology & Geography
- 2013 - 2017 ● MANCHESTER METROPOLITAN UNIVERSITY
2:1 - BSc (Hons) Digital Media & Communications

EXPERIENCE

- 2013 - 2017 ● DoDoDontDont Do Directing
During my time here as a runner I have learned valuable production skills as well as the ability to work effectively as part of a small or large team to deliver content to a strict timeline.
- From 2017 ● CHRISTIAN MICHAELS AGENCY
working here as a Junior Website Designer has given me an insight to the speed and intensity of working in a digital agency. Working as part of a small business of 4 has also taught me the importance of being able to work effectively as a team and the ability to adapt and evolve my way of working to best suit the needs of the business. Alongside this, I have also learned valuable soft skills such as being able to liaise and communicate with clients in a professional manner.
